LEADERSHIP
Associate Producer, Head of Costume Department, **Walrus Dice Productions VT**   **2019 - (current)**
- ♦ I manage the costuming team members and the status of their projects. I plan and organize team meetings, ensure communication between leaders of various artistic teams, I design and build costumes, manage the department budget, and oversee costuming and hair/makeup while on set.

Co-President, **UVM Film Club**   **Fall 2019 - (current)**
- ♦ Organized and planned meetings, managed club social media accounts, organized club fundraising events

Co-Editor in Chief, **Champlain Valley Chronicle**   **August 2016-June 2017**

- ♦ Managed and organized monthly schedule and communicated with artistic contributors
- ♦ Edited and contributed monthly features, news stories, editorials, and video media

WORK EXPERIENCE
Sugaring Staff with Wyckoff Family Maple (current) - Jeffersonville, VT
- ● I manage the website for the business and work with CAD software to help design building blueprints for future projects

Tutor at UVM Tutoring Center (current):
- I tutor students in programming and other computer science courses. I aim to come up with teaching techniques to fit the student's individual style of learning and guide them in gaining new study skills that they can apply in their classes and use as they continue in their education.

UVM Tutoring Center Front Desk Staff (current):
- I schedule appointments, answer phone calls and emails, and assist students, faculty, and tutors with technology in the center.

AC Moore Team Member 2018-2019:
- Organized advertisement updates and displays, gained customer service skills

Landscaper with Wyckoff Constructions 2017-2016 - Jeffersonville, VT

TRANSFERABLE SKILLS:
- Languages: Intermediate-level Russian and intermediate-level Spanish
